

## Highway District Maintenance

*Boise Western Corporation recognizes the challenges faced by local Highway Districts to maintaining the grounds, rest areas / parks and equipment through the changing seasons & provides a wide range of products to meet those needs throughout the year.*

### BWC HDC-115 CLEANER/DEGREASER (LF-220X)

- BWC's proprietary formula is specifically designed for use in industrial, commercial & institutional cleaning
- Pleasant scent & blue color.
- Use it to clean equipment, mop waxed floors, clean woodwork and walls, remove greasy buildup in kitchens, clean greasy spots from carpets, and remove black heel marks from flooring
- Great for any general shop cleaning / degreasing task
- Available in 4 X 1 Gal. / Case, 5 Gal. Pails and 55 Gal. Drum

### STAIN-SORB (LA-159) Liquid Stain Absorbent

- Unique liquid stain absorbent and remover
- Highly effective against hydrocarbon-based oils, greases, BBQ grill stains, silicone oils from tire dressings, and other stains
- Ideal for use on asphalt, concrete, paving stones, pressure treated wood, composite decking, and other surfaces
- Designed to reach into the pores of porous and untreated surfaces for deep stain removal, it will also remove stains from treated and sealed surfaces.
- Available in 4 X 1 Gal. / Case, 5 Gal. Pail and 55 Gal. Drum

### HEAVY DUTY INDUSTRIAL FOAM DEGREASER (AT-470)

- Unique aerosol foam that enables simple and easy cleanup
- Forceful, engulfing, heavy duty foam clings to surfaces and provides extended cleaning contact time
- Contains powerful, water soluble, grease dissolving agents and detergents for instant cleaning action
- Self-indicating foam breaks down grease and grime, and becomes dirty, indicating soil is ready to be flushed away
- For use on road equipment, tools, concrete, and exhausts
- 12 X 16 oz. Net Wt. / Case

### SHOP MAINTENANCE

#### **CITRA CRYSTALS (DA-665-XX)**

Heavy duty powdered concrete & equipment cleaner /degreaser

*Citra Crystals is a concentrated, powdered cleaner and degreaser that, when mixed with water, penetrates quickly to remove grease and grime from concrete and other hard surfaces. Ideal for areas where a floor scrubber is not available or practical. Can be flushed down floor drains to clean and freshen. Color-activated formula turns green. (Available in 6 x 2 pounds / case and 25 pound bags)*

**MULTIPURPOSE SHOP WIPES (DA-1539X)** High-powered, premoistened wipes

Shop Wipes are premoistened with a high-powered, multipurpose, grease-cutting formula that lifts away tar, adhesives, wax, ink, paint and lubricants from hands and other non-porous surfaces. The superior grease-grabbing performance is ideal for use on tools, equipment, and hands. Natural oils and emmoilients are safe for hands and skin, and will not cause drying, unlike similar products. Non-scratching towel is abrasive one side and smooth on the other. 8" x 12" wipe. Large 400-ct roll is designed to fit our Large Center-Pull Dispenser (EA-9125). NSF C1 certified. (2 X 400ct refill bag /Case or 6 X 40ct /canister/Case)

## MECHANICAL AND ELECTRICAL MAINTENANCE

**BWC PENELUBE 5 - PENETRATING LUBRICANT (AT-209)** Penetrant, Lubricant, Demoisturant, Protectant

Non-flammable, all purpose, non-conductive mechanic's spray. Penetrates through rust and corrosion to loosen frozen nuts and bolts. Displaces moisture in wet electrical systems. Leaves treated surfaces protected with residual anticorrosive film. Does not contain any chlorinated solvents. Safe around most plastic & paint. Includes extension tubes for application to remote areas. (12 X 14 oz. Net Wt./Cs)

**PENETRATING LUBRICANT WITH PTFE (AT-501)** Rapid penetratant with superior polytetrafluoroethylene

lubricant - Forceful spray that provides rapid penetration through rust and corrosion to loosen frozen nuts, bolts, and mechanical parts. Provides effective lubrication over a broad temperature and pressure range. Safe on aluminum, plastic, and paint. Contains moly and polytetrafluoroethylene for superior lubrication and wear reduction. Provided with strong pinpoint spray that works with can held in any position. Includes extension tubes for easier application to remote areas. (12 X 11 oz. Net Wt. / Case)

**BRAKE PARTS CLEANER - CHLORINATED formerly BRAKE SERVICE (AT-526)** Brake parts cleaner

Non-flammable, flush action solvent that quickly removes oil, grease, road grime, brake fluid, and moisture from all brake parts. Eliminates the need for disassembly. Helps quiet brake squeal. Dries fast, residue free. (12 X 18 oz. Net Wt. / Case)

**MOISTURE DISPLACER (LIQUID) (LT-2216)** Displace moisture in wet electrical systems

Non-flammable liquid that creeps under and displaces moisture in wet electrical systems. Cleans away corrosion to help restore correct current flow. Provides a waterproof film that protects parts and prevents moisture induced short circuits. Safe to spray on running electrical equipment. Hundreds of automotive uses. For use on running lights, distributors, and seat adjustment mechanisms. (Available in 5 Gal. Pails or 55 Gal. Drums)

**BWC ELECTRO-KLEEN SAFETY SOLVENT (AT-550)** Degreaser/Cleaner for

equipment & electrical parts - A residue-free, super fast drying, high power spray that dissolves grease and rinses away dirt and grime without injury to working parts. Safe for use on energized electrical equipment, unique valve system provides both pencil stream and fan-type sprays. Great for application into hard-to-reach areas. Non-flammable, non-conductive, non-corrosive, non-ozone depleting and free of petroleum distillates. (12 X 18 oz. Net. Wt. / Case)

**BWC SAFETY FLUSH (ATS-803)** Electrical equipment & contact cleaner

A high dielectric, high purity, rapidly evaporating, non-flammable aerosol spray contact & circuit board cleaner. Specially formulated for removing oil, grease, condensation, dust & other particulate matter from sensitive electronic parts. Quick drying formula will not harm most plastics, paints, or rubber. Includes extension tubes for easier application to remote areas. **NSF Certified** (12 X 10 oz. Net Wt. / Cs.)

## VEHICLE CARE

**WAXY WASH ( LFT-70204)** Concentrated car wash & wax solution

Concentrated car wash and wax solution contains a special blend of high quality surfactants and waxes to produce a rich and foamy solution that emulsifies dirt, soils and road film. Rinses freely, without leaving streaks. Will not harm existing polish or wax on your car surface. (4 X 1 Gal. / Case)

**WINDSHIELD DE-ICER (AA-8209)** Aerosol windshield de-icer

Aerosol windshield de-icer removes snow, ice and frost from windshield by lowering the freezing point of water to quickly melt away snow and ice froa variety of vehicle surfaces including mirrors, locks and door handles. It can also be used as a defogger for inside windows. (12 X 12.4 oz. Net Wt. / Case)

**[BWC offers a wide variety of products. See our catalog for a more extensive product list.](#)**

**WINDSHIELD WASHER / DE-ICER CONCENTRATE (LA-470)** Windshield cleaner / de-icer  
*Cleans windshields in the summer and deices windshields in the winter. Methanol-based deicer penetrates ice, frost and snow quickly to provide better windshield visibility and safer winter driving. The concentrated formula allows for custom dilution levels for different weather conditions. (Available in 4 x 1 Gal. / Case or 5 Gal. Pails)*

**BWC SHOWCASE - GLASS CLEANER (AT-428)** Industrial glass cleaner - foaming aerosol  
*This safe and easy-to-use cleaner dissolves smudges, film, scum, smears, bugs and other soil. Use on windows, mirrors, and windshields. Safe on most OEM window tinting. (12 X 19 oz. Net Wt. / Case)*

**GLASS CLEANER - GENERAL PURPOSE (LA -202)** Ammoniated RTU glass cleaner  
*Glass cleaner is a ready-to-use and provides rapid, no-streak cleaning of all glass surfaces, tile, porcelain and plastic. NSF C1 certified (Available in 12 X 1 Qt./Case, 4x1Gal /Cases, 5 Gal. Pail and 35 or 55 Gal. Drum)*

## PLUMBING MAINTENANCE

**LIQUID ALIVE 233 (LD-23332)** Enzyme producing bacterial cleaner  
*Enzyme producing bacteria digests and liquefies organic waste, grease and food by-products eliminating odors and reducing suspended soils. It is highly resistant to disinfectants, detergents, sanitizers and free chlorine. (12 X 1 Qt. / Case)*

**BIO-ACTION (LA-528)** Thickened drain opener, maintainer, build-up remover  
*BIO-ACTION is a non-caustic, non-acidic drain opener, maintainer and build-up remover. It uses multi-cultured bacteria and free enzymes to keep drains free-flowing and also prevents future clogs and build-ups. NSF L2 certified. Most drain clogs result from the accumulation of food materials on the inside of drain surfaces. Regular use establishes an active bacteria population that continuously works to keep this accumulation from occurring. Adding this product to drains once a week and allowing it to work overnight ensures that drains remain open. (Available in a variety of sizes up to 55 gallon drum.)*

**DIGESTASE ADP-900 (DA-502)** All-purpose, powdered bacterial digestant  
*Digestase APD 900 is an all-purpose, powdered bacterial digestant that provides continuous cleaning action in septic systems, sewage lagoons and other waste-disposal systems. It effectively attacks, liquifies, and removes grease, fat and oil. NSF C1 certified. (25 lbs.)*

## ODOR CONTROL / ELIMINATION

**NILODEW DEODORIZING GRANULES (DN-8-ND)** Deodorizing clay granules for long-term control of garbage odors -  
*Deodorizing clay granules that contain proprietary odor counteractant for long-term control of garbage odors in dumpsters, compactors, trash cans, etc. Specially formulated with the world famous Super N Concentrate that contains citronella oil and other natural ingredients, Nilodew neutralizes obnoxious odors and deters pests. One scoop of Nilodew counteracts odors in dumpsters, compactors, ash trays, waste baskets, etc., for up to one full week. (2 X 8 lb. Jar / Case)*

**LIVE MICRO 535 (LA-535)** Destroy & control odors  
*This concentrated digestant contains selected multi-cultured strains of natural enzyme-producing bacteria. These special strains of bacteria are very efficient at digesting organic waste to help eliminate malodors. They consume organic matter to eliminate odors at their source on most kitchen and bathroom surfaces, toilets, urinals, rugs and carpets. (Available in a variety of sizes up to 55 gallon.)*

## SEASONAL MAINTENANCE

**BARREN - GROUND STERILANT (LA-320)** Non-selective herbicide & soil sterilant  
*A powerful, non-selective herbicide designed for use where control of all vegetation is desired. It is also a soil sterilant, offering a total kill with long-lasting residual action & is only recommended for non-cropland areas away from residential/recreational areas. (4 X 1 Gal. /Cs)*

**THE END-WASP AND HORNET KILLER (AD-18320)** Insecticide  
*Wasp insecticide instantly kills on wasps, hornets, yellow jackets and bees; Residual action continues killing, eliminating nests; Effective both indoors and outdoors. (12 X 12 oz. Net Wt. / Case)*

**SNOW PLOW COATING (LA-385)** Silicone lubricant and protectant for snow removal equipment  
*Snow Plow Coating applies a thin, slippery layer of silicone to all of your snow removal equipment to reduce the friction and help the equipment perform better. It also protects metal surfaces from rust and corrosion (4 X 1 Gal. / Case)*

[BWC offers a wide variety of products. See our catalog for a more extensive product list.](#)

**FORTECH® HEAT™ DE-ICER (LFT-189XX)**

Ready to use de-icer

*Fortech® Heat™ De-Icer can be applied before, during or after an expected snowfall. Fast acting and easy to apply with immediate results. Ready to use. Long lasting action saves labor and down time. Ideal for use on exterior areas where snow and ice can be a problem to the public; schools, universities, shopping centers, malls, transportation facilities, etc. Specific Gravity @ 75F: 1.25; pH: 7.0 - 9.0. Viscosity @ 75F: Thin. Density @ 75F: 10.39 lbs/gallon. (Available in 5 gallon pails and 55 gal. drums)*

**HAND CARE PRODUCTS**

**BWC CITRA CLEAN HAND CLEANER (LA-4402)**

Waterless citrus hand cleaner with pumice

**BWC NATURALLY CLEAN HAND CLEANER (LA-4432)**

Waterless heavy-duty hand cleaner w/o grit

**BWC SANITIZING GEL (LA-2702)**

Waterless germ killing sanitizer with aloe

*Get a FREE HD Dispenser for BWC's CITRA CLEAN or NATURALLY CLEAN or two Refillable Wall Dispensers for BWC's Sanitizing Gel when you purchase 4 cases.*

**THICK PINK INDUSTRIAL HAND SOAP (LC-559)**

Industrial strength hand cleaner (4 X 1 Gal. / Case)

**SOFT TOUCH HAND CLEANER (DO-20124)**

Non-abrasive hand cleaner (12 X 24 oz. tubes / Case)

**CLEAN SHAPE FOAMING SOAP SYSTEM**

Soap in special dispenser

**GREEN SEAL CERT. LUXURY HAND SOAP (LK-69078)**

(8 X 950ml/case)

**ANTI-BACTERIAL FOAMING SOAP (LK-69978)**

(LK-69978)

(8 X 950ml/case)

**BWC CREAM OF OATS HAND LOTION (LF-606X)**

Industrial hand lotion - non-greasy & quick-drying

*Premium hand and body lotion specifically formulated to penetrate deeply to moisten and vitalize skin layers. Contains no silicones or mineral oil, not greasy and has minimal scent. (4 X 1 Gal. / Case and 12 X 1 Pt. / Case)*

**CAN LINERS**

**SHARKSKIN HEAVY DUTY CAN LINERS** - Shark Skin combines the highest grade linear low film with the strength of a star seal bottom on a coreless roll. The result is a value added bag with unprecedented performance. Shark Skin is a total can liner program specifically designed with the end user in mind.

**MAINTENANCE PRO CAN LINER** - Whether you need low or high density can liners, our linear products are made from high quality resins that are stronger than the rest. The strength and stretch properties of our linear low density can liners make them a great general all-purpose liner, while our high density can liners provide superior strength and moisture barrier properties for heavy, wet trash.

**ECONOMY NATURAL CAN LINERS** - High Density Mini-Rolls provide answers to questions of environmental responsibility as well as cost efficiency. The unique blend of first grade high molecular weight High Density Polyethylene and LLDPE resins is puncture resistant, possesses impressive film strength and performs under temperature extremes of -40°F to 212°F. The high molecular weight of the High Density Polyethylene resin allows us to produce can liners that are approximately one-third the weight of traditional can liners with the same capacity. A lower weight bag of superior strength means less material is being used in production.

**BWC has a variety of sizes & gauges of can liners in the following product lines. Contact us to find your ideal solution.**
